We were fortunate enough to welcome Iowa natives Bob and Judy King to our Annual Members Convention this year. Although they are members of the association, they have both served as board members for ACSA (American Council of Snowmobile Associations) and gave some insight as to what ACSA does for us as snowmobilers, and as an association.

Pat Reznicek (center) was recognized by the RTP (Recreational Trails Program) Committee this year after stepping down with being on the board for 25 years. Her alternate Earl Martens (right) will be taking her place while Matt Kracl (left) will be stepping up as Earl's alternate. We are very gracious for the work Pat has done over the years, and look forward to still having her on our Association board as Secretary!!

Saturday evening banquet dinner and awards ceremony was nice and quaint starting with the entertainment of Bases Loaded, a local band invited by Stan and Kate Stutheit, and ended with the raffle ticket items and silent auction.

One last thanks to our dealers, as well as to Jason Heitritter with Western Power Sports, for their support this year, for bringing new products to show, and all the generous donations.
